

Insurance Center Special Risks provides you with full access to Philadelphia Insurance Company web-based Flood policy quoting and processing system

In order to be authorized to quote, issue and service flood policies on-line via the Philadelphia Insurance Company website, please submit the following documents and e-mail to: pmoats@phlyins.com or fax to: **(866) 823-1858**

- A completed Set Up form ([download the form](#))
- A completed Taxpayer ID Number Request form ([download the form](#))
- A copy of your agency E&O coverage
- A copy of your agency business license
- A copy of your agency principal's license

You will receive authorization directly from Philadelphia Insurance Company within 3-4 days after you submit the set-up packet to the company.
